PROFESSIONAL EXPERIENCE

03/24-ongoing Clinical Associate Professor
Undergraduate and Graduate Nursing
Nicole Wertheim College of Nursing and Health Sciences
Florida International University (FIU), Miami, Florida
Responsible for teaching undergraduate and graduate students when
appropriate. Provide service to the program/nursing unit/college and
the University, as well as to the community. Responsible for
admissions, student services, and clinical education, in addition to
ensuring academic policies, procedures and expectations are met by
students.

02/24-ongoing Graduate Faculty
Graduate Nursing
Nicole Wertheim College of Nursing and Health Sciences
Florida International University (FIU), Miami, Florida
Responsible for teaching graduate and Doctor of Nursing Practice
(DNP) students when appropriate. Provide service to the
program/nursing unit/college and the University, as well as to the
community. Responsible for admissions, student services, and clinical
education, in addition to ensuring academic policies, procedures and
expectations are met by students.

- 01/16 - ongoing Adult Nurse Practitioner
Pulmonary/Critical care/Internal Medicine
Dr. Alvaro Skupin
2100 Ponce de Leon Blvd Suite 1010
Coral Gables, FL 33134
- 08/14 – 03/24 Clinical Assistant Professor
Undergraduate Nursing
Nicole Wertheim College of Nursing and Health Sciences
Florida International University (FIU), Miami, Florida
Responsible for teaching undergraduate and graduate students when appropriate. Provide service to the program/nursing unit/college and the University, as well as to the community. Responsible for admissions, student services, and clinical education, in addition to ensuring academic policies, procedures and expectations are met by students.
- 08/13 - ongoing DNP Mentor – Adjunct Faculty
The University of Alabama
Tuscaloosa, Alabama
Responsible for mentoring DNP students through an adjunct appointment and developing these individuals who will be leaders and educators in generating and applying the science needed to guide nursing practice. A professional contribution to the education of our DNP students.
- 08/11 - 8/14 Adjunct Clinical Faculty
Florida International University (FIU), Miami, Florida
Nicole Wertheim College of Nursing and Health Sciences
Responsible for teaching graduate students during the contract period appointment. Responsible for collaborating with peers (faculty and staff) for implementation of the educational program for which the faculty member was appointed, promoting a climate which facilitates student learning, teaching in various educational settings, e.g., theory, clinical, practicum, carrying out assigned responsibilities for course planning and student evaluation, reading and incorporating research findings into teaching and practice, participate in research and/or other creative activities.
- 08/11 - 08/13 Sub-Investigator
Swiss Medical Research
Miami, Florida
- 03/11 - 08/11 Sub-Investigator
Advanced Pharma CR, LLC
Miami, Florida

- 01/10 - 03/11 Sub-Investigator
NuPhase Clinical Research
Miami, Florida
- 10/09 - 01/16 Adult Nurse Practitioner
Pulmonary/Critical care/Internal Medicine
Dr. Manuel Suarez
1435 West 49 Place Suite 207
Hialeah, Florida 33012
- 08/07 - 2011 Staff Nurse-CN4/Charge Nurse/Resource Nurse/Preceptor
Critical Care Unit
South Miami Hospital
South Miami, Florida
- 03/96 - 2011 Staff Nurse-CN4/Charge Nurse/Resource Nurse/Preceptor
Intensive Care Unit
Larkin Community Hospital
South, Miami, Florida
- 02/03 - 05/06 Staff RN/Charge Nurse
Intensive Care Unit
Select Specialty Hospital
Miami, Florida
- 02/81 - 08/98 Staff Nurse/Charge Nurse/Clinical Educator/Preceptor/Resource Nurse
Intensive Care Unit
Coral Gables Hospital
Coral Gables, Florida

TEACHING ACTIVITIES

Sub-Administrative – Medical-Surgical Lead Faculty 2015- ongoing

Medical-Surgical (Med-Surg) Faculty Role Description

The major responsibility of the role is the coordination of Med-Surg courses and provide direct supervision of faculty/adjuncts assigned to teach the course[s]

- a. Directly Reports to the Undergraduate Nursing Chair

Course[s] Coordinator / Lead Faculty Responsibilities include:

- A. Selects textbooks and references materials with input from faculty, adjunct instructors/preceptors.
- B. Reviews and updates pertinent areas of course syllabus and module(s)/shell(s).
- C. Specifies learning resources needed for classes.
- D. Collaborates with Clinical Director and Program Chair in identifying potential clinical/practicum sites/adjunct instructors/preceptors.

- E. Identifies student learning experiences in clinical/practicum sites that best meet/support achievement of course objectives.
- F. Conducts coordinator meetings with assigned faculty.
- G. Maintains a master list of students registered for the courses.
- H. Assists assigned faculty identify/implement remediation in appropriate areas for students.
- I. Schedules and coordinates clinical examinations with assigned faculty, as appropriate.
- J. Ensures assigned faculty notifies students in academic jeopardy [via Panther Success Network] at midterm and throughout the semester.
- K. Ensures course/instructor/clinical site evaluation by students.
- L. Ensures student evaluation by assigned faculty/preceptor.
- M. Provides input into the evaluation process of clinical adjunct/faculty/preceptors.
- N. Evaluates clinical learning experiences with adjunct instructor/preceptor input.
- O. Provide ongoing input and assist with development, evaluation, and revision of community health learning/teaching experience.
- P. Remain current of all accreditation and professional standards, plus provide input, and assist with possible curricular revisions.

Clinical Assistant Professor 2014- ongoing

Florida International University, Miami, Florida

- ❖ Teaching undergraduate and graduate students.
- ❖ Leadership in service to the program/nursing unit/college and the University, as well as to the community.
- ❖ Certification in the faculty member's area of expertise.
- ❖ Teaching knowledge, skills and values related to course objectives.
- ❖ Stimulate critical thinking and creative ability of students and colleagues.
- ❖ Exemplify standards of professional conduct toward students and colleagues in carrying out responsibilities.
- ❖ Utilize creative and effective approaches to develop, implement, and evaluate instructional programs through consultation and collaboration with colleagues and other appropriate individuals.
- ❖ Provide consultation as appropriate to junior faculty.
- ❖ Chair and/or serve as a member on nursing unit students' scholarly papers, thesis/dissertation committees.
- ❖ Provide leadership in supporting the mission and philosophy of the nursing unit, College and the University.

Adjunct Clinical Faculty (Part-Time) 2011 to 2014

Florida International University, Miami, Florida

- ❖ Clinical faculty for adult nurse practitioner students
- ❖ Provided opportunities for the adult nurse practitioner student to pursue individual learning objectives within the parameters of the facility and in accord with the advanced nursing practice role assumed by the preceptor.

- ❖ Allowed the student the freedom to independently and/or collaboratively apply the skills of assessing, diagnosing, planning, implementing, and evaluating own nursing practice.
- ❖ Provided opportunities for the student to assume a leadership role as a learning experience within the confines of the practice setting.
- ❖ Served as a resource person, consultant and supervisor for the adult nurse practitioner student's clinical nursing experience.
- ❖ Provided adult nurse practitioner student evaluations, which include documentation of the accomplishment of each objective and completion of clinical practice hours.
- ❖ Assisted clinical faculty in evaluating the preceptorship experience and discussion of revisions.

Clinical Preceptor for Master's Level Adult Nurse Practitioner Students 2011 to 2016

Hospital based practice in Miami, Florida

- ❖ Acted as a role model to graduate level adult nurse practitioner students while functioning as an APRN.
- ❖ Participated in identification of learning needs of adult nurse practitioner students who accompanied me on the units.
- ❖ Facilitated student professional socialization into role as an adult nurse practitioner.
- ❖ Set goals with adult nurse practitioner students in collaboration with their course faculty members and their curriculum.
- ❖ Provided students with feedback on their progress based on observations of clinical performance, assessment of clinical competencies and assessment of patient care documentation.
- ❖ Planned learning experiences and assignments to help adult nurse practitioner students meet weekly professional and clinical goals.
