Application for Admission
PhD Program

Statement of Professional Goals

Name: ____________________________________________________________________________

Mr./Mrs./Ms./ Last Name First Name MI

Panther ID (If applicable): __________________________

Discuss your responses to the following three questions.

1. What are your future career goals and how do you envision the PhD in Nursing assisting you in meeting these goals?

2. What are your research interests and goals for the PhD in Nursing Program? Discuss how your research interest fit with the program’s emphasis on multicultural, diverse, and vulnerable populations, and faculty members’ area of research expertise.

3. Select an issue in your specialty area. Discuss this issue using a synthesis of various sources of data or information and pose possible outcomes or solutions.

Guidelines to response:

- Please type your responses
- Use Times New Roman,
- 12 font
- Double spacing
- Limit your statement to 10 pages.
