Occupational therapy is a health care profession that focuses on helping people of all ages regain, develop, or master everyday skills in order to live independent, productive, and satisfying lives.

Occupational therapists work in a variety of practice areas including: physical disabilities, mental health, pediatrics, academics and research. Within these practice areas occupational therapist have the opportunity to work in a multitude of settings including:

- Hospitals
- Acute care
- Inpatient rehab
- Outpatient rehab
- Specialty units (e.g. spinal cord injury)
- Psychiatric Units
- Pediatrics
- Nursing homes
- Home Health
- Work Rehabilitation
- Community Health
- Schools
- Private Clinics
- Private Practice
- Universities

CAREER OPPORTUNITIES

- Employment of occupational therapists is expected to increase 33 percent between 2010 and 2020 according to the U.S. Department of Labor.
- The median annual salary of occupational therapists was $75,400 in 2012; 10% of OTs earned more than $108,200.
- FIU graduates are employed across Miami and the nation in the areas of mental health, productive aging, children and youth, health and wellness, work and industry, rehabilitation, disability and participation.

Why FIU?

- More than 90% of our graduates are employed within 6 months after graduation.
- Our faculty are doctorally prepared and are known nationally and internationally for their education scholarship and research.
- We offer low, affordable tuition compared to private universities.
- Students receive individualized faculty advisement.
- Since 2007, $800,000 has been disbursed in scholarships by the OT Department.
- Diversity in our student body uniquely positions our graduates to better serve multi-cultural communities both locally and globally.
- We offer a wide availability of clinical sites for fieldwork including emerging practice areas such as low vision and community mental health.
- There are opportunities to become involved in research with nationally renowned faculty members.
- Opportunity to study in Miami’s first and only four-year public research university that is worlds ahead in its service to the community.

The NWCNHS is proud to support diversity among students, faculty and staff.
DEPARTMENT INFORMATION:
OCCupational Therapy (OT) is one of eight disciplines of the College of Nursing and Health Sciences (CNHS) at Florida International University. The mission of the FIU OT Department is to establish excellence in occupational therapy education, research and scholarly activities, to actively engage in community partnerships, and to prepare culturally competent entry-level practitioners who provide evidence-based OT services to the community.

ACCREDITATION:
The Occupational Therapy Professional Master’s Program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) at www.acoteline.org; located at 4720 Montgomery Lane, Suite 200, Bethesda, MD 20814-3449. ACOTE’s telephone number is 301-652-AOTA.

PROGRAM INFORMATION:
The MSOT program is a 2.5 year, (7 semesters/80 credits) full time program. 50 students are admitted each fall.

APPLICATION PROCESS:
Florida International University uses the Occupational Therapy Centralized Application Service (OTCAS). Please visit https://portal.otcas.org to create your OTCAS account.

OCCupational Therapy Centralized Application Service (OTCAS) P.O. Box 9120 Watertown, MA 02471 Phone: 617-612-2860 Email: otcasinfo@otcas.org Website: http://portal.otcas.org

Where to send your application: OTCAS must receive the application, references, and transcripts by 1st Friday in February each year for admission in the fall. Once your application is complete, OTCAS will verify your documents before releasing them to Florida International University.

Please note:
- Florida International University cannot access unverified applications. Applicants should confirm their status as verified with OTCAS.
- For any questions about the receipt, processing, and verification of your application, please contact OTCAS Customer Service at 617-612-2860. otcasinfo@otcas.org
- GRE scores must be sent to Florida International University Graduate School- school code: 5206.
- All official transcripts should be sent directly to OTCAS and if admitted to the University Graduate School.
- Letters of recommendation are submitted electronically through the OTCAS system.

ADMISSIONS REQUIREMENTS:
- BS or BA degree in ANY FIELD from a regionally accredited college or university.
- A GPA of 3.0 in the last 60 hours of upper division undergraduate coursework.
- Required cumulative 3.0 GPA for all prerequisite courses.
- Prerequisite courses must be taken within 5 years of application.
- Complete the following prerequisite courses prior to the start of the fall admission term with a minimum grade of “C”:
  - Biology with Lab
  - Statistics
  - Human Growth & Development
  - Abnormal Psychology
  - Medical Terminology
- A grade of “B” or above must be earned in the following 4 courses: 3 of these 4 courses must be completed prior to the OT Department Application submission deadline.
  - Anatomy & Physiology I & II
  - Human Anatomy & Physiology I & II, with labs
  - Medical Terminology
- All applicants must take the Graduate Record Examination (GRE). GRE scores must be received by the FIU graduate school by application deadline. (School code: 5206). We do not have a minimum score requirement, HOWEVER, competitive applicants must score at or above 295 on the combined verbal and quantitative sections and 3.5 on the writing section. (www.ets.org or www.takethesat.com)

Prerequisite Certificate for Occupational Therapy:
For students with a bachelor degree who are returning to school to complete OT prerequisites, the 29 credits of undergraduate coursework is offered as part of the Occupational Therapy Prerequisite Certificate Program. To apply for the Occupational Therapy Prerequisite Certificate Program please go to: http://onestop.fiu.edu/additional-information/certificate-applicants/index.html.
