FLORIDA INTERNATIONAL UNIVERSITY

FORWARD-THINKING. INNOVATIVE. UNSTOPPABLE.

Welcome Back!

PANTHERS

NICOLE WERTHEIM COLLEGE OF NURSING & HEALTH SCIENCES

The Nicole Wertheim College of Nursing & Health Sciences (NWCNHS) at Florida International University has been a **leader** in transforming healthcare education and advancing the nursing and health sciences fields.

- Bachelor of Science in Nursing Alumna

With a steadfast **commitment** to excellence, innovation, and compassion, NWCNHS prepares healthcare professionals to meet the evolving needs of diverse communities worldwide.

NWCNHS boasts a **vibrant** alumni network of over 25,000 graduates specializing in various health disciplines, including

- Athletic Training
- Communication Sciences & Disorder
- Health Services Administration
- Nursing
- Physical Therapy
- Occupational Therapy

Our accomplished graduates are making a difference across healthcare settings, bringing expertise, and innovation to their roles.

YOU are part of this proud **legacy** and help shape the future of healthcare education in South Florida and beyond.

As a valued Alumna, I invite you to **join the Dean's Alumni Advisory Board**, a vital initiative designed to strengthen ties with our alumni community.

Together, we can inspire the next generation of healthcare leaders.

Jorge A. Valdés, DNP, CRNA, APRN, FAANA, FAAN

ONE
EXPERIENCE.**

Biscayne Bay Campus (BBC)

The BBC campus provides a more intimate close-knit learning environment by the bay for specialized nursing and health services administration programs, also housing our new Diane Ramy Faulconer STAR Center. BBC offers students a serene environment to complement their academic pursuits.

Both campuses connect students and alumni to a network of professional opportunities, lifelong mentorship, and pathways to make meaningful contributions to the healthcare field.
