

M.S. in Occupational Therapy

Nicole Wertheim College of Nursing & Health Sciences (NWCNHS)

The Master of Science in Occupational Therapy (MSOT) at FIU prepares entry-level occupational therapists. This intensive, hands-on program equips students with the tools, knowledge, and skills to promote health, wellness, and functional independence throughout the life span. Graduates of the MSOT program are eligible for certification by the National Board for Certification in Occupational Therapy (NBCOT).

How to Apply

PROGRAM INFORMATION:

The MSOT program is a 2.5 year, (7 semesters/80 credits) full time program. The program admits **50 students** each fall.

APPLICATION PROCESS:

Florida International University uses the Occupational Therapy Centralized Application Service (OTCAS). Please visit <https://portal.otcas.org> to create your OTCAS account.

Occupational Therapy Centralized Application Service (OTCAS) P.O. Box 9120 Watertown, MA 02471 Phone: 617-612-2860 Email: otcasinfo@otcas.org
Website: <http://portal.otcas.org>

Where to send your application: OTCAS must receive the application, references, and transcripts by the **1st Friday in February each year for admission in the fall**. Once your application is complete, OTCAS will verify your documents before releasing them to Florida International University.

Applicants are required to submit a Graduate School application in addition to the OTCAS application. The cost of the application is \$30. Students are encouraged to complete this application after submission of their OTCAS application.

Website: [FIU Graduate School Application](#)

Please Note:

- Florida International University cannot access unverified applications. Applicants should confirm their status as *verified* with OTCAS.
- For any questions about the receipt, processing, and verification of your application, please contact OTCAS Customer Service at 617-612-2860, otcasinfo@otcas.org.
- All official transcripts should be sent directly to OTCAS **and** if admitted to the FIU Graduate School.
- Letters of recommendation are submitted electronically through the OTCAS system.
