

## CURRICULUM VITAE

NAME: Maria (Maite) T. Garrido DNP, ARNP

### EDUCATION AND DEGREES

University of Miami, Coral Gables, Florida, Doctor of Nursing Practice (DNP),  
December 2009.

Barry University, Miami Shores, Florida, Master of Science in Nursing: Family  
Nurse Practitioner, 1995

University of Miami, Coral Gables, Florida, Bachelor of Science in Nursing, 1985

### LICENSURE/SPECIALTY CERTIFICATION

License # ARNP1704982, Florida State Board of Professional Regulations,  
Advanced Registered Family Nurse Practitioner, 1996

License #1704982, Florida State Board of Professional Regulations, Registered  
Nurse, 1986

### PROFESSIONAL EXPERIENCE

Academic (institutions; rank/status; dates):

Florida International University (FIU) Nicole Wertheim College of Nursing and  
Health Sciences, Miami, FL, Assistant Clinical Professor (2015-Present)

Florida International University (FIU) Nicole Wertheim College of Nursing and  
Health Sciences, Miami, FL, Visiting Assistant Clinical Professor (2011-2015)

University of Miami (UM) School of Nursing and Health Studies, Coral Gables,  
FL, Assistant Clinical Professor (2010-2011)

University of Miami (UM) School of Nursing and Health Studies, Coral Gables,  
FL, Coordinator Distance Learning Programs at the School of Nursing and Health  
Studies- Resource to Faculty, Enhancing Infrastructure at the school, development  
and updating the distance learning organizational blackboard for the school  
“Nursing Virtual Classroom Resource” (NVCR), (2008-2010).

University of Miami (UM) School of Nursing and Health Studies, Coral Gables,  
FL, Lecturer (2005-2010)

University of Miami (UM) School of Nursing, Coral Gables, FL, Adjunct Lecturer, (2003-2003)

Jackson Memorial Hospital School of Nursing, Miami, FL, Faculty and Honor Committee Coordinator, (1990-1997)

## TEACHING ACTIVITIES

### **SON Undergraduate Program (Generic BSN/RN-BSN):**

#### **FIU:**

Spring 2016 Faculty Coordinator RN-BSN 2.0 On-line Program

Spring 2016, Preparation for RN-BSN Senior Practicum Stand Alone Blackboard Platform-envisioned, created and implemented first time the center for pre-work RN-BSN senior clinical in preparation writing goal, objectives and identifying and approval of preceptor. Highlights of center: Media rich resource section on how to write objectives modules and new wiki clinical collaborative tool per student streamline preceptor requests via blackboard semester prior to practicum. N=37

Spring 2016, NUR 3119 Professional Nursing: Concepts and Issues RN-BSN 2.0 On-Line. Add to course policy and late assignment policy.

Spring 2016, NUR4945L Senior Clinical Practicum RN-BSN Section RPC 2.0 On-line-new course developed all new media rich resource section on how to write objectives modules and added new wiki clinical collaborative tool streamline preceptor requests via blackboard and enhanced syllabus course policy and clinical safety.

Spring 2016, NUR4945L Senior Clinical Practicum RN-BSN Section RPD 2.0 On-line-new course developed all new media rich resource section on how to write objectives modules and added new wiki clinical collaborative tool streamline preceptor requests via blackboard and enhanced syllabus course policy and clinical safety.

Spring 2016, NUR4636C Care of Communities: Community Health Nursing 2.0 On-line-co-taught

**FIU:**

Fall, 2015 Faculty Coordinator RN-BSN 2.0 On-line Program

Fall 2015, NUR 3119 Professional Nursing: Concepts and Issues RN-BSN 2.0 On-Line new course developed all new media rich content for 14 weeks on-line modules and added new collaborative on-line assignment via blackboard

Fall 2015, NUR3029L Foundations of Nursing Practice Laboratory FEP-BBC

**FIU:**

Spring 2011, NUR 4636C Care of Communities: Community Health

Nursing, clinical faculty at Hialeah Easter Seal's Therapeutic Adult Care Community organization.

**SON Graduate Program (MSN):****FIU:**

Fall 2014, NGR 6715 Instructional Technology in Nursing and Health Sciences, Fully on-line MSN NE certificate course, three credit course. Course include 16 hours simulation observation with simulation scenario unfolding authoring Activities, included access to graduate simulation for PhD and DNP students; technologically enhanced Interprofessional Education content; Prezi, blog, adobe webconferencing and wiki technologies. **Submitted Course for QM National Certification 11/2014**

Fall 2013, NGR 6715 Instructional Technology in Nursing and Health Sciences, Fully on-line MSN NE certificate course, new three credit course. Enhanced course to include 16 hours simulation observation with simulation scenario authoring activities; technologically enhanced Interprofessional Education content; adobe webconferencing and blog technologies.

Spring 2013, Preceptor, NGR 6910C Research Project, preceptor to two nursing graduate students hands on experience on HRSA grant Combined Culturally Competent (CCC) RN MSN program: development and implementation of culturally competent simulation scenarios and qualitative data analysis.

Fall 2012, NGR 6715 Instructional Technology in Nursing and Health Sciences, Fully on-line course, enhanced the course from a two credit course to three credit. Created new content for an extra credit course (3 credit from 2 credit) following simulation evidence based practices.

Spring 2012, Clinical faculty, NGR 6602L Advanced Family Health Nursing II, Practicum FNP course.

Spring 2012, Preceptor, NGR 6910C Research Project, preceptor for three nursing graduate students hands on experience on HRSA grant Combined Culturally Competent (CCC) RN MSN program: development and implementation of culturally competent simulation scenarios.

Spring 2012, Preceptor, NGR 6714C Clinical Teaching Strategies in Nursing, preceptor to one graduate student in simulation teaching-learning methodologies developing and implementing culturally competent simulation scenarios.

Fall 2011, Faculty, NGR 6715 Instructional Technology in Nursing and Health Sciences, Fully on-line course, completely reorganized and created new content for course following on-line best practices.

- Fall 2011, Clinical faculty, NGR 6601L Advanced Family Health Nursing I, Practicum FNP course.
- Fall 2011, Preceptor, NGR 6910C Research Project, preceptor to three nursing graduate students hands on experience on HRSA grant Combined Culturally Competent (CCC) RN MSN program: development and implementation of culturally competent simulation scenarios.
- Summer 2011, Preceptor, NGR 6910C Research Project, preceptor to two nursing graduate students hands on experience on HRSA grant Combined Culturally Competent (CCC) RN MSN program: development and implementation of culturally competent simulation scenarios.
- Spring 2011, Preceptor, NGR 6910C Research Project, preceptor to two nursing graduate students hands on experience on HRSA grant Combined Culturally Competent (CCC) RN MSN program: development and implementation of culturally competent simulation scenarios.

### **SON Doctoral Program (PhD/DNP)**

#### **FIU:**

- Summer 2015, NGR 7871 Sections RVCC Healthcare Informatics, Fully on-line DNP course-maintained QM national certification; Coordinated a hands IT healthcare systems experience allowing student conduct IT surveys/measures at FIU health clinic with assistance of Dr. Framil and administrators of the clinic.
- Summer 2015, NGR 7871 Section RVDC Healthcare Informatics, Fully on-line DNP course-maintained QM national certification. Same as above.
- Spring 2015, NGR 7940 Residency in Doctoral Nursing Practice 1, Fully on-line DNP course, first time teaching this course developed Blackboard platform to include WIKI tools for each student learner that enhanced collaborations between faculty to students and student to student regarding residency activities.
- Summer 2014, NGR 7996 Healthcare Informatics, Fully on-line DNP course, developed new course on-line content for first half of the course, new educational technologies incorporated such as telehealth, telemonitoring, mobile technologies and wiki assignments. Mapped out objectives for accreditation. **Course Awarded QM National Certification December 2014.**
- Summer 2013, NGR 7996 Healthcare Informatics, Fully on-line DNP course, developed new course on-line blackboard content, new educational technologies incorporated such as digital poster, simulation, adobe web-conferencing, wiki and blog activities. Mapped out objectives with course assignments for accreditation.
- Fall 2012, NGR 7996 Healthcare Informatics, Development of new course objectives and syllabus.

#### **UM:**

- Spring 2011, Clinical Preceptor, NUR 659 Technology in Health Care, Preceptor for DNP program on Technology use in nursing education

## RESEARCH ACTIVITIES

Research Investigations: Submitted and Funded

March 2015-December 2015

PI: **Garrido, M.**, De los Santos, M., Goldin, D., Gordon, Y., Huerta, H., Bloyer, M., Odai, M., Alfano, A., Gordon, V., Human Resources & Services Administration (HRSA) Advanced Nursing Education Program (ANE) 12-061- Project title: The Technology Interprofessional Culturally Competent Education Program (TIPCE)-; **PI Responsibilities** included preparing HRSA reports and monitoring for updates, providing oral reports and phone updates to HRSA during change PI, monthly budget meetings with Michelle Fields, trouble shooting telehealth equipment purchasing delays, adjusting spring and summer 2015 grant faculty/staff efforts to assure grant goals are all met in particular telehealth initiative, submitting no cost extension, managing TIPCE finances, submitting semi-annual performance report, planning for sustainability of TIPCE model with NWCNHS administration and Dean-Awarded \$909,850.

September 2012- February 2015

PI: Dlugasch, L., **Garrido, M.** (Co-PI), De los Santos, M., Goldin, D., Gordon, Y., Huerta, H., Bloyer, M., Odai, M., Alfano, A., Human Resources & Services Administration (HRSA) Advanced Nursing Education Program (ANE) 12-061- Project title: The Technology Interprofessional Culturally Competent Education Program (TIPCE)- \$909,850 awarded; **Co-PI responsibilities** include-develop a virtual platform using a LMS years 1-3 of grant for Interprofessional Education (IPE) for 220 (yearly) interprofessional (IP) students (FNP, OT, PT, AT, SLP) to learn about IPE through self-learning modules and collaborate interprofessionally using technologically advanced technologies such as blog, discussion forums wiki tools and adobe connect. Updated uniquely developed cultural simulation scenarios (originally authored in CCC BSN/MSN grant) to include 5 healthcare student disciplines roles and implemented IPE simulations to over interprofessional 220 (IP) students a year. Coordinated with STAR center, FNP lead faculty and interprofessional faculty in the scheduling of TIPCE simulations. Develop

infrastructure and implement a telehealth initiative for FNP students for clinical supervision; led in dissemination of knowledge writing manuscripts and presenting at national conferences. Responsible for all evaluative outcomes both quantitative and qualitative. Assisted with HRSA reports.

December 2012-December 2013

PI: Olenick, M. & Cornely, H., **Garrido, M.**, (co-PI) -Josiah Macy, Jr. Project Title: Culturally Competent Inter-professional Education Simulation Program for Multicultural Students in a Minority Serving Institution- Awarded \$35,000.

February 2011-May 2013

PI: Scisney-Matlock, M., Olenick, M., Simon, S., **Garrido, M.**, & Henao, H. Health Resources and Services Administration. Project Titled: Culturally Competent Combined RN/MSN (CCC RN/MSN) Program. Role: Coordinator of simulation, technology and evaluation plan: Created 16 unique Culturally Competent (CC) Simulation Scenarios for BSN/MSN-FNP courses, Simulation Coordinator-implemented CC simulations for BSN and MSN 30 students per course for each of the 6 cohorts. Coordinator of grant evaluation plan- awarded

Research Investigations Submitted, Not Funded:

July 2015- June 2018

PI: **Garrido, M.**, Human Resources & Services Administration (HRSA) Advanced Nursing Education Program (ANE) 15-046 Project Title:APRN Academic Practice Partnerships in Miami (AAPPIM): An Innovative Academic Practice Partnership Model to Enhance APRN Education in Miami. Total project award: 2,100,000.00. Dr. Strickland and Dr. Thomas will be part of the Partnership Executive Committee (PEC) in the grant. Submitted February 2015- Not Awarded July 2015

Submitted March 2012: Not funded

Dlugasch, L., Gordon, Y., Brown, E., **Garrido, M.**, (2012-2015) Project Title: The GOLDEN (Graduate Older Adult Learning and Education for Nurses) Years Training Program. Health Resources and Services Administration. Role: Simulation Development Faculty.-not funded

Grant work outside FIU: Funded

2010-2011, Nursing Education Practice and Research Grant (NERP) in support of purpose R1: Creating a career ladder program to provide registered nurses a certificate in nursing education; Role: Project Faculty and member of Technology Implementation Team. University of Miami School of Nursing and Health Studies. Coral Gables, FL. awarded

2007-2008, SUCCEED Grant, Coordinator and Principal Faculty-Certificate Nursing Education-University of Miami School of Nursing and Health Studies. Coral Gables, FL. awarded

2009, Duke University/HRSA Technology Integration Program- Nursing Education Program (TIP-NEP) Grant, Team Leader & Podium Presenter: The use of a Web Portal Nursing Virtual Classroom Resource (NVCR) as a innovative tool used for the enhancement of teaching distance education in nursing programs. TIP-NEP Training Symposium, Duke University. Expenses for the 4 day symposium and \$3,000 stipend for Implementation of a technology project at UMSONHS. Grant from the Division of Nursing and the Office of Health Information Technology, HRSA, Department of Health and Human Services. Durham, NC. Awarded.
