

CURRICULUM VITAE
OF
MONICA STRAUSS HOUGH
10 Aragon Avenue, #606
Coral Gables, Florida 33134
(252) 347-4255

I. Academic Degrees

Ph.D., Kent State University, 8/1984 - 5/1988. Speech-Language Pathology (Area of Concentration – Adult Neurogenic Communication Disorders-Neurolinguistics).

M.A., University of Florida, 8/1976 - 8/1978, Speech-Language Pathology.

B.A., City University of New York-Brooklyn College, 9/1970- 1/1976, Speech and Hearing Sciences.

II. Academic Positions

A. Teaching Positions

Full Professor, Tenured, Communication Sciences and Disorders, Nicole Wertheim College of Nursing and Health Sciences, Florida International University, 12/2011-present

Adjunct Professor, Department of Communication Sciences and Disorders, College of Allied Health Sciences, East Carolina University, 12/2011-5/2012

Full Professor, Tenured, Department of Communication Sciences and Disorders, College of Allied Health Sciences, East Carolina University, 7/1999-12/2011

Associate Professor, Tenured, Department of Communication Sciences & Disorders, School of Allied Health Sciences, East Carolina University, 7/1994-7/1999.

Assistant Professor, Tenure-Track, Department of Communication Sciences & Disorders, School of Allied Health Sciences, East Carolina University, 8/1988-7/1994.

University Fellow, Kent State University, 8/1987-5/1988

Instructor, Clinical Supervisor, School of Speech Pathology and Audiology, Kent State University, 9/1986-8/1987.

Research and Teaching Fellow, School of Speech Pathology and Audiology, Kent State University, 8/1984-8/1987.

B. Administrative Positions

Chairperson, Communication Sciences and Disorders, Nicole Wertheim College of Nursing and Health Sciences, Florida International University, 12/2011 – present.

Director of Graduate Studies, Department of Communication Sciences and Disorders, College of Allied Health Sciences, East Carolina University, 7/2003 – 12/2011.

Coordinator of Speech & Hearing Services, Woodland Centers, Inc. (formerly Gallia-Jackson-Meigs Community Health Center), 7/1981-8/1984.

III Other Professional Positions

Speech-Language Pathologist/Consultant, Therapeutic Innovations, Inc., 9/1998-12/2011

Speech-Language Pathologist, Beverly Home Health Services, 9/1992-9/1998.

Speech-Language Pathologist/Consultant, CRF Associates, 9/1990-9/1992.

Speech-Language Pathologist, Robinson Memorial Hospital, 8/1986-8/1988

Speech-Language Pathologist, St. Albans High School. 9/1986-5/1987

Speech-Language Pathologist, Pierce & Pierce Associates, 8/1985-8/1987

Speech-Language Pathologist, Gallia-Jackson-Meigs Community Health Center, 10/1978-7/1981.

Speech-Language Pathology VA Traineeship, Gainesville Veterans Administration Hospital, 9/1977-10/1978.

IV. Teaching Experiences

A. Undergraduate Courses

Kent State University:

SPA 20202 Voice and Diction – Fall 1984, Fall 1985, Fall 1986, Fall 1987

SPA 30502 Speech Science – Fall 1986, Spring 1987, Fall 1987

B. Graduate Courses

Masters Level:

Kent State University:

SPA 60500 Aphasia and Related Disorders – Spring 1985, Spring 1986

East Carolina University:

CSDI 6105, 6112 Oral Facial Anomalies - Fall 1988, Fall 1990

CSDI 5800 Communication Processes and Disorders in Aging - Fall 1990, Fall 1991, Fall 1992, Fall 1993, Fall 1994, Fall 1995

CSDI 6109 Motor Speech Disorders - Spring 1989, Spring 1990, Summer 1991, Summer 1992, Summer 1993, Summer 1994, Summer 1995, Fall 1996, Fall 1997, Summer 1998, Summer 1999, Summer 2000, Fall 2001, Fall 2002, Fall 2003, Fall 2004, Fall 2005, Fall 2006

CSDI 6104 Voice Disorders - Spring 1989, Spring 1990

CSDI 6110 Brain, Language, & Aphasia - Summer 1989, Summer 1990, Spring 1991, Spring 1992, Spring 1993, Spring 1994, Spring 1995, Spring, 1996, Spring 1997, Spring 1998, Spring 1999, Spring 2000, Spring 2001, Spring 2002, Spring 2003, Spring 2004, Spring 2005, Spring 2006, Spring 2007, Spring 2008, Spring 2009, Spring 2010, Spring 2011

CSDI 6113 Cognitive/Linguistic Impairments in Adults - Summer 1989, Summer 1990, Summer 1991, Summer 1992, Summer 1993, Summer 1994, Summer 1995, Fall 1996, Fall 1997, Fall 1998, Fall 1999, Fall 2000, Fall 2001, Fall 2002, Fall 2003, Fall 2004, Fall 2005, Fall 2006, Fall 2007, Fall 2008, Fall 2009, Fall 2010, Fall 2011

CSDI 6523 Readings in Speech, Language & Auditory Pathology - Independent Study:

- 1) Motor equivalence and organization of behavior - Summer 1990, Fall 1990;
- 2) Central Auditory Processing in Aging - Spring 1993;
- 3) Auditory and Visual Attention Deficits in Right Hemisphere Brain-Damage – Fall 1995;
- 4) Auditory Attention Deficits in Traumatic Brain Injury – Spring 1998
- 5) Confabulation and Neglect in RHD Adults – Spring 2006
- 6) Working Memory in Typical Young and Older Adults – Fall 2006, Fall 2007

CSDI 6115 Appraisal of Communication Disorders I – Fall 1988, Fall 1989, Fall 1990, Fall 1991, Fall 1992, Fall 1993, Fall 1994, Fall 1995, Fall 1996, Fall 1997, Fall 1998

CSDI 6523 Seminar in Neurolinguistics - Fall 1989, Spring 1991, Spring 1992, Spring 1993

CSDI 6103 Research Design in Speech and Hearing Disorders - Fall 1991, Fall 1992, Fall 1993, Fall 1994

CSDI 6116 Appraisal of Communication Disorders II – Spring 1996, Summer 1997, Spring 1998

CSDI 6114 Dysphagia and Neuromotor Functions – Spring 1994, Spring 1995, Spring 1996

CSDI 7000 Thesis – Spring 1990, Spring 1991, Spring 1992, Spring 1993, Spring 1994, Spring

1995, Spring 1998, Spring 2000, Fall 2002, Spring 2003, Fall 2004, Spring 2005, Fall 2005, Spring 2006, Spring 2007, Fall 2008, Spring 2009, Fall 2009, Fall 2010, Fall 2011, Spring 2012

Distance Education:

CSDI 6115 Appraisal of Communication Disorders – Fall 1997

CSDI 6116 Appraisal of Communication Disorders II - Spring 1998

CSDI 6110 Brain, Language & Aphasia – Spring 2000, Spring 2001, Spring 2002, Spring 2003, Spring 2004, Spring 2005, Spring 2006, Spring 2007, Spring 2008, Spring 2009, Spring 2010, Spring 2011, Spring 2012

CSDI 6109 Motor Speech Disorders – Summer 2000, Fall 2001, Fall 2002, Fall 2003, Fall 2004, Fall 2005, Fall 2006, Fall 2007

CSDI 6113 Cognitive Impairments in Adults – Spring 2001, Spring 2002, Spring 2003, Spring 2004, Spring 2005, Spring 2006, Spring 2007, Spring 2008, Spring 2009, Spring 2010, Spring 2011, Spring 2012

Florida International University

SPA 5107 Neurological Bases of Communication – Spring 2017

SPA 5805 Research Methodology in Communication Sciences & Disorders- Spring 2012, Spring 2013, Spring 2014, Spring 2015, Spring 2016, Fall 2016, Fall 2017

SPA 6938 Topics in Communication Disorders: Adult Cognition and Communication – Summer 2012

SPA 6938 Topics in Communication Disorders: Aphasia Treatment – Spring 2013

SPA 6232 Neuromotor Speech Disorders and AAC – Fall 2012, Fall 2013, Fall 2014, Fall 2015

SPA 6254 Adult Cognition and Communication – Spring 2014, Spring 2015, Spring 2016, Spring 2017

SPA 6930 Masters Project – Summer 2013, Fall 2013, Summer 2015, Fall 2015, Spring 2017

SPA 6471 Masters Thesis – Spring 2014, Summer 2014, Fall 2015, Spring 2016, Fall 2016

Doctoral Level:

East Carolina University:

CSDI 8020, 8023 Advanced Seminar in Speech-Language Pathology- Fall 1999, Fall 2000, Spring 2000, Spring 2001, Summer 2001, Fall 2001, Spring 2002, Summer 2002, Spring 2003, Summer 2003, Spring 2004, Summer 2004, Fall 2005, Spring 2006, Fall 2006, Spring 2007, Fall 2007, Spring 2008, Fall 2008, Spring 2009, Fall 2009, Fall 2010

CSDI 8018 Seminar in Neurolinguistics—Fall 2000, Fall 2002, Fall 2005, Fall 2006, Fall 2008, Fall 2009, Fall 2010, Fall 2011

CSDI 8070, 8071 Research Internship in Communication Sciences - Fall 1999, Summer 2000, Fall 2000, Spring 2001, Fall 2001, Summer 2002, Fall 2003, Spring 2004, Spring 2005, Fall 2007, Fall 2009, Spring 2010, Fall 2010

CSDI 8090, 8091 Research Internship in Speech-Language Pathology – Spring 2001, Summer 2001, Fall 2001, Spring 2002, Fall 2003, Spring 2004, Summer 2004, Fall 2004, Spring 2005, Summer 2005, Fall 2005, Spring 2009

CSDI 9000 Dissertation – Spring, 2002, Fall 2002, Fall 2003, Spring 2004, Spring 2007, Fall 2007, Spring 2008, Fall 2008, Fall 2009, Spring 2010, Fall 2010, Spring 2011, Fall 2011, Spring 2012

C. Clinical Supervision:

Undergraduate:

East Carolina University:

CSDI 4225 Clinical Practicum - Fall 1988, Summer 1989, Spring 1991

Graduate:

Kent State University:

August 1984 - December 1987 every semester

East Carolina University:

CSDI 6225 Clinical Practicum - Fall 1988, Fall 1989, Fall 1990, Fall 1991, Summer 1992, Fall 1992, Fall 1993, Fall 1994, Fall 1995, Fall 1996, Fall 1997, Fall 1998, Fall 1999, Fall 2000, Fall 2001, Fall 2002

CSDI 6226 Clinical Practicum - Spring 1989, Summer 1989, Spring 1990, Spring 1991, Summer 1991, Spring 1992, Spring 1993, Summer 1993, Spring 1994, Summer 1994, Spring 1995, Summer 1995, Spring 1996, Summer 1996, Spring 1997, Summer 1997, Spring 1998, Summer 1998, Spring 1999, Summer 1999, Spring 2000, Spring 2001, Summer 2001, Spring 2002, Summer 2002, Fall 2002, Fall 2003, Fall 2004, Fall 2005, Fall 2006, Fall 2007, Fall 2008, Fall 2009, Fall 2010

CSDI 6227 Clinical Practicum – Spring 2003, Summer 2003, Spring 2004, Summer 2004, Spring

2005, Summer 2005, Fall 2005, Spring 2006, Summer 2006, Fall 2006, Summer 2007, Fall 2007, Spring 2008, Summer 2008, Fall 2008, Spring 2009, Fall 2009, Spring 2010

V. Academic Advising

Florida International University:

Chairperson, Communication Sciences & Disorders, Florida International University, 12/2011-present. Involves direction of Masters program in Speech-Language Pathology for approximately 95 on-campus students and 200 speech-language pathology post-baccalaureate certificate on campus students in the Graduate Certificate in Communication Sciences and Disorders.

Academic Advising, Communication Sciences & Disorders, Florida International University:

1) 8/2012-present: Individual academic advising for approximately 15 Masters SLP graduate students each semester.

2) Spring 2015-present: Individual academic advising for ALL Graduate Certificate in CSD students every semester (approximately 60 every semester)

Organize, schedule, and participate in student interviews for the Masters SLP program, Spring 2014, 2015, 2016, 2017, 2018

East Carolina University:

Director of Graduate Studies, Communication Sciences & Disorders, East Carolina University, 7/2003-12/2011. Involves direction/coordination of Masters program in Speech-Language Pathology of approximately 75 on-campus students and 50 distance education off-campus students, and Doctoral program including approximately 10 students in a Research (Experimental) Ph.D. in Speech-Language Pathology, Communication Science, or Audiology and 10 students in a Joint Ph.D./AuD in Audiology.

Student interviews for admission into the CSDI undergraduate program, 1989-1997.

CSDI representative for Spring Open House, April 1993, April 1999, April 2003, April 2005; for Fall Open House, October 1993, October 1997 for prospective students. CSDI representative for advisement for transfer students, July 1994.

CSDI graduate (masters) student advising (speech-language pathology), East Carolina University - 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008 2009, 2010. Advising of approximately 20 students per year.

CSDI graduate (doctoral) student advising (speech-language pathology, communication science), East Carolina University – 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010. Advising of approximately 2 students per year.

VI. Professional Consultantships

Consultant, Member, Board of Directors, Therapeutic Innovations, Inc. Interdisciplinary private practice, Greenville, N.C., 1999- 2011

Consultant, Speech-Language Pathology, Pitt Regional Rehabilitation Center, Greenville, N.C., 1990- 2011

Consultant, Beverly Rehabilitation Services, Speech-Language Pathology, Greenville, N.C., 1993-2001

VII. Grants

Research Consortium, State of North Carolina Universities—Submitted for 2008-2009 – Working Memory and Context in Aphasia, \$50,000; Funded

Research Consortium, State of North Carolina Universities—Submitted for 2007-2008 – Working Memory and Context in Aphasia, \$50,000; Not Funded

North Carolina Consortium on Aging, Grant web-course development: CSDI 6800 Communication Processes & Disorders in Aging. Spring 2004. Funded: \$10,000.

School of Allied Health Center Grant, East Carolina University – Submitted for 2003-2004 – Working Memory and Comprehension Skills in Aphasia, Funded: \$10,400

North Carolina Aging Grant: Healthy 2010: Development of a telecommunication network for aiding communication skills in elderly adults in Eastern North Carolina. Submitted in 2001, Funded: \$5,000.

Research/Creative Activity University Grant, East Carolina University. Submitted for 1999-2000 – A Longitudinal Study of Electrophysiological and Behavioral Performance in the Recovery of Aphasic Adults After Stroke, Funded: \$10,000.

National Institute of Health, NDCDS Grant: Phonemic and Segmental Characteristics of Speech in Fluent and Nonfluent Aphasic Speakers – Grant development in conjunction with School of Audiology and Speech-Language Pathology at The University of Memphis, \$150,000. 1997. Not Funded

ECU Faculty Microcomputer Program. Desktop IBM COMPAQ Computer granted by Faculty Computer Committee (Spring 1998)

ECU Faculty Microcomputer Program. Laptop Computer and Deskjet printer granted by Faculty Computer Committee (April 1993)

Research/Creative Activity University Grant, ECU. Submitted for 1989-1990 - Semantic Categorization Abilities in Aged and Brain Damaged Populations, Funded: \$2335

VIII. Direction/Participation in Thesis and Dissertations

Theses: Florida International University

Gonzalez, D. (in progress). An Adaptation of an auditory perception test. Committee Member.

Pinto Cardona, E. (Completed Summer 2017) Effects of bilingualism on short-term memory in individuals with Down's syndrome. Committee Member

Lopez, D. (completed summer 2017). Processing of English verb constructions in persons with aphasia. Director

Yero, A. (completed Summer 2016). Memory processing speed and effects of cognitive exercise on the aging brain. Director.

Atick, J. (completed Summer 2016). A qualitative assessment of what comprises effective and positive supervisor – student clinician relationships. Committee Member

Hernandez, R. (completed Summer 2017). Communication partner prompts and their relationship to the communicative acts of young children using speech-generating devices, Committee Member

Walker, S. (Completed Summer 2015). Communicative function and linguistic behaviors in parent-child interactions of children who are at high-risk for developing ADHD, Committee Member.

Leon, M. (Completed Summer 2015). Graduate student exposure to multicultural and multilingual issues and dealing with bilingual clients in CSD graduate programs, Committee Member.

Cardozo, K. (Completed Fall 2015). Interns Estimates of What Supervisors Value the Most in a Clinical Setting, Committee Member.

Ogrodnik, G. (Completed Summer 2014). The Impact of Aphasia on Verbal Working Memory in Bilingual Adults (Director)

Cooper, B. (Completed Summer 2014). The effectiveness of multi-component consultation intervention on pragmatic language skills of students with ADHD, Committee Member

Pierro, M. (Completed Spring 2013). Vocabulary comprehension skills of children with autism, Committee Member

Theses: East Carolina University

Eckert, Samantha (Completed Spring 2012) Working Memory and Comprehension in Aphasia (Director)

Taylor, Anna (Completed Spring 2012) Influence of drawing ability on word retrieval in chronic aphasia (Director)

Nevitt, Natalie (Completed Summer 2012) Language and literacy issues relative to speed of processing in school-aged children. Committee Member

Lewis, Skye (Completed Spring 2011) Contextual Influences on Categorization in Young and Older Typical Adults (Director)

Yu, Kun (Completed Summer 2010) Context and Working Memory Influences on Auditory Comprehension in Older and Younger Aphasic Adults (Director)

Dorry, Jacqueline (Completed Fall 2010) The Effects of Familiarity on Naming Ability in Aphasic Adults (Director)

Izquierdo, Amanda (Completed April 2007) Lexical-semantic priming in women after menopause. Committee Member

Zhang, Jianliang (Completed February 2007) Behavioral responses of individuals who do not stutter to people who stutter. Committee Member

Johnson, Rachel Kay (Completed Spring 2006) Functional communication in chronic non-fluent aphasia: Use of an Augmentative Device. Director

Deal, Rachel (Completed Spring 2005) The Relationship between length of post traumatic amnesia and pragmatic functioning after traumatic brain injury. Director.

King, Kristin (Completed Summer 2004). Mild Traumatic Brain Injury: Effects on Word Retrieval in Naming and Discourse. Director.

Lever, Teresa (Completed Fall 2003). Esophageal Dysphagia and the Role of the Speech Pathologist. Committee Member.

Pittard, Paige (Completed Spring 2003). Hemispheric Organization of Emotional Lexicon in Females. Committee Member.

Pittman, K. (Completed Summer, 1996) Comparison of acoustic vocal variables in the voices of middle-aged and geriatric population. Director

Savage, C. (Completed Spring 1995) The P300 response in subjects exhibiting reduced speech discrimination and neglect following right hemisphere lesions. Committee Member

Schmitzer, A. (Completed Spring 1995) Contextual influences on apprehension of multiple meaning words after right hemisphere brain-damage. Director

Howdy, C. (Completed Spring 1994) Word finding abilities in normal developing preschoolers. Committee Member

Long, D. (Completed Spring 1994) Influence of dysphagia and diet on nutritional needs of the elderly (Home Economics) Committee Member

Grix, L. (Completed Spring 1993) A neuropsychological evaluation of severe phonological disorders in children. Committee Member

Mason, A. (Completed Spring 1993) Molecular zoo geography and mechanisms of isolation in *Fundulus heteroclitus* (Biology). Committee Member

McLean, M. (Completed Spring 1993) Word finding abilities in learning-disabled children with different neuropsychological profiles. Committee Member

Overton, B. (Completed Spring 1993) Influence of context on the categorization skills of closed head injured adults. Director

Bedsole, J. (Completed Fall 1992) Exemplar generation for goal-derived action categories in fluent and nonfluent aphasia. Director

Farler, D. (Completed Fall 1992) Phonemic retrieval skills in Broca's and conduction aphasic adults. Director

Fluegel, S. (Completed Summer 1992) Inflectional shift ranges for the normal adult population. Director

May (Pabst), M.J. (Completed Summer 1992) Categorization skills in adults with right hemisphere brain-damage. Director

Johnson, P. (Completed Summer 1991) Word finding abilities in preschool stutterers. Committee Member.

Bedsaul, T. (Completed Spring 1991) The relationship between central auditory abilities and hearing aid satisfaction in the geriatric population. Committee Member

Hancock, J. (Completed Spring 1991) Four and six month old infants' perception of facial expression. Co-directed with H.J. Daniel

Faix, L. (Completed Summer 1990) Vocal expression of emotion throughout aging. Director

Thorne, J. (Completed Summer 1990) A investigation of auditory temporality and response modes in young and elderly adults. Committee Member

Snow, M. (Completed Summer 1990) Gender differences in the lateralized functions of speech and song. Co-directed with H.J. Daniel.

Jordan, S. (Completed Spring 1990) The influence of context on categorical skills in aphasia. Director

Dissertations: East Carolina University

Hudock, D. (Completed Summer 2012). Inhibition of stuttering using various exogenous and endogenous techniques. Committee Member

Carter, M. (Completed Fall 2012) The effects of accelerated reading rates on reading comprehension. Committee Member

Cosby, J. (Completed Spring 2011). Influence of Cognitive Functioning on Improvement in Auditory Training in Hearing-Impaired Older Adults. Co-Director with D. Culbertson

Gouvousis, A. (Completed Spring 2011). Use of Pivotal Response Training in the Classroom setting with children with Autism Spectrum Disorder. Co-Director with J. Golden

Wolfe, D. (Completed Spring 2011) An investigation into the effect of semantic, syntactic, and orthographic processing on reading fluency in children. Committee Member

Zhang, A. (Completed Spring 2010) Physiological and kinematic variables of stuttering in different ethnic groups. Committee Member

King, Kristin (Completed Fall 2008) Picture naming and word reading: Differential diagnostic tasks for children following traumatic brain injury? Director

Lever, Teresa (Completed Spring 2008) Use of a mouse model to understand the sensory and motor components of the swallowing deficits associated with ALS. Committee Member

Guntupalli, Vijaya (Completed Spring 2007) The role of DAF and NAF on stuttering in children. Committee Member

Saltaklaroglu, T. (Completed Fall 2004) The Role of Gestural Imitation in the Inhibition of Stuttering. Committee Member

Smith, B. (Completed Summer 2004) Naming and rhyming skills of individuals with childhood apraxia of speech. Committee Member

Snyder, G. (Completed Spring 2004) Theoretical Implications of an Initiatory Speech Gesture within a Neurological Stuttering Model. Director

Hiss, S. (Completed Fall 2001) Normal Swallowing Apnea Onset: Causes and Relationship to Lingual Bolus Propulsion as a Function of Age, Gender, Bolus Volume and Viscosity, and Gustation Director

Barrow, I. (Completed Spring 2001) Within Category Naming in Mild Traumatic Brain Injury and Normal Adults (Co-directed w/M. Rastatter)

Doctoral Research Projects:

East Carolina University:

Kelkar, A. (completed Spring 2011) Effects of cultural background on Executive Functioning Skills. Second Year Project. Director.

Carter, M. (Completed Summer 2010) Influence of modality and functional and categorical relationships on lexical priming in typical adults. Second Year Project. Director

Kelkar, A. (Completed Fall 2009) Consistency of findings using stroboscopy in normal adults. First Year Project. Committee Member.

Gouvousis, A. (Completed Spring 2009) Physiological Responses of Service Learners Relative to Exposure to Autism Spectrum Disorder, Second Year Project Committee Member

Zhang, J. (Completed Spring 2008) Physiological measurements in Stuttering and Non-Stuttering individuals. First Year Project. Committee Member.

Gouvousis, A. (Completed Fall 2007) Use of T-TRIP to examine prosodic characteristics of typically developing children and children with ASD. First Year Project Co-Director

Wolfe, D.L. (Completed Fall 2007) Comparison of different treatment approaches with late-talkers. First Year Project. Committee Member

King, K.A. (Completed January 2007) Hemispheric processing of linguistic stress in sentences and word strings, Second Year Project. Committee Member

King, K. A. (Completed Summer 2005) Noun and Verb Retrieval in Adults with Mild Traumatic Brain Injury. First Year Project. Director

Guntupalli, V. (Completed Summer 2005) Physiological and Emotional Responses of People who do not Stutter to Stuttering. Second Year Project. Committee Member

Lever, T. (Completed Spring 2005) Do Effortful Oropharyngeal Pressures Affect Esophageal Pressures? Second Year Project. Committee Member

Guntupalli, V. (Completed Spring 2004) Effect of temporal compression and expansion of second speech signals on stuttering frequency in adults who stutter. First Year Project. Committee Member.

Lever, T. (Completed Fall 2003) Treatment of esophageal dysphagia by speech-language pathologists. First Year Project. Committee Member

Snyder, G. (Completed 2001) Gestural Priming via Manual Gestural Productions to Evoke Fluency in Adults who Stutter. Second Year Project. Director

Cralidis, A. (Completed Fall 2001) Effects of Parkinson's Disease on Noun, Verb, and Adjective Generation. First Year Project. Director

Downs, R.S. (Completed Spring 2001). Electrophysiological and behavioral effects attention and auditory processing in aphasic and RH adults after stroke. Second Year Project. Director

Master of Science Projects/Papers:

Florida International University:

Errante, E., Roberts, R., & Avila, D. (In progress). Bilingual advantage? Semantic organization of common categories in young bilingual adults. Director

Perez, K., Dickson, D., Anderson, C., & Estrada, J. (In progress) Examining working memory in young bilingual adults: Spanish versus English proficiency on different forms of the N-back task. Director

Bouverie, M., Farrar, F., Jordi, J., & Valdes, G. (Completed summer 2017). The effects of language and linguistic context on category organization in older adults. Director

Concha, A., Francois, J., Ikpe, E., & Sanchez, S. (completed Summer 2017). The N-Back measure and working memory: Comparison of monolingual and bilingual young adults. Director

Altobelli, A., Concepcion, J., Livia, P., Morales, J. (Completed Summer 2016) Comparison of verbal and nonverbal memory in older bilingual adults, Director.

Gonzalez, J., Canero, V., Lally, C., White, A. (Completed Summer 2016). The effects of linguistic context on category organization in older bilingual adults, Director.

Pasarin, L., Porro, M., Claussen, L. (Completed Summer 2016) Category organization in young bilingual adults, Director.

Nunez, A., Alexis, M., Zuniga, M., & Vazquez, M. (Completed Summer 2015). Comparison of Working Memory Measures with Older and Young bilingual Adults, Director

Garrido, J., Rosa, C., Lindsey, A., & Barreras, N. (Completed Summer 2015). Bilingual Influence on Verbal and nonverbal Working Memory in monolingual and bilingual Adults with Fluent (Wernicke's) aphasia. Director.

Martinez, C., Medina, E., Gomez, M., & Dillard, C. (Completed Summer 2015). Influence of L1 versus L2 on verbal Working Memory in Older bilingual Adults.

Abril, K., Calvo, C., Martinez, K., & Blanco, A. (Completed Summer 2014). Outcome consistency in auditory comprehension with adults with aphasia, Director

Middleton, K., Vega, M., Kish, R., & Cid, M. (Completed Summer 2014). Outcome Consistency in Verbal Working Memory with Adults with Aphasia, Director

Ferro, C., Casas, J., & Jebian, J. (Completed Spring 2014) Detecting working memory impairments in elderly: Which tool works best? , Director

East Carolina University:

Lutz, S. (Completed Fall 2000) Noun versus verb retrieval in nonfluent aphasia. Director

Waters, L. (Completed Spring 1999) Patterns of confabulation in the language of adults with dementia and right hemisphere brain-damaged adults. Director

Cameron, D. (Completed Fall 1998) Caregiver's guide to working with individuals with dementia.

Howell, K. (Completed Fall 1997) Formal Tests/Assessment Tools for Aphasia: Description and Utilization. Director

Edenfield, T. (Completed Fall 1997) Broca's Aphasia: Localization, identification, assessment, and treatment. Director

Williams, A. (Completed Fall 1997) Alexia and aphasia: Types of disorders and their treatment. Director

Brown, G. (Completed Spring 1997) Formal therapy approaches for aphasia: Utilization and efficacy of treatment. Director

Snow, C. (Completed Spring 1997) Traumatic brain injury: Efficacy of treatment. Director

King, K.A. (completed Fall 1996) Mild closed head injury: Effects on word retrieval in naming and discourse. Director

Zimmerman, S. (Completed Summer 1996) Underlying Bases for Communication Deficits Associated with Right Hemisphere Brain-Damage. Director

Miller, R. (Completed Summer 1996) Types of Attentional and Perceptual Deficits Associated with Right Hemisphere Brain Damage. Director

Werner, L. (Completed Spring 1996) Use of the Dementia Rating Scale as a Tool for Identifying Communication Differences Between Right and Left CVA Patients. Director

Kilpatrick, A. (Completed Spring 1996) Word retrieval abilities in language-impaired children. Committee Member

Presson, D. (Completed Fall 1995) Categorization in normal and brain-damaged populations. Director

Shelton, B. (Completed Fall 1995) Phonemic retrieval skills in language-impaired children. Committee Member

Lumley, L. (Completed Fall 1995). Comparison of stuttering behaviors in adults with acquired neurogenic and traditional developmental stuttering (Co-Director with R. Shine).

Allen, B. (Completed Summer 1995) CAP test performance for subtypes of learning-disabled children. Committee Member

Roberson, A. (Completed Spring 1995). Apraxia of speech and the dysarthrias: Identification and differential diagnosis. Director

Johnson, S. (Completed Spring 1995) Paragrammatism: Review of the literature and differential diagnosis from agrammatism. Director

Keck, W. (Completed Spring 1995) Dementia: Differential diagnosis of reversible and irreversible causes. Director

Cole, R. (Completed Spring 1995) Patient and family education regarding dysphagia in the geriatric population. Director

Honeycutt, M. (Completed Spring 1995) A critical review of the therapeutic approaches for apraxia of speech in adults. Director

Gosnell, T. (Completed Spring 1995) Assessment and treatment of swallowing disorders in children and adults: Similarities and differences in management. Director

Rose, S. (Completed Spring 1995) Feeding infants with cleft lip and/or palate: Problems and solutions. Director

Clark, T.B. (Completed Spring 1995) Cognitive and linguistic deficits in college-aged adults with learning disabilities. Director

Hodges, S. (Completed Spring 1995) Contextual influences on central auditory processing abilities in normal elderly and right hemisphere brain-damaged adults. Director

Chapin, T. (Completed Summer 1994) Auditory and visual attentional skills in normal and right hemisphere brain-damaged adults. Director

Morgan, A. (Completed Spring 1994) Category typicality for common and goal-derived categories: Review of the literature and analysis of goal-derived action categories with aphasic adults. Director

Carver, L. (Completed Fall 1993) Naming and category concept generation in patients with dementia of the Alzheimer's type and healthy older adults. Director

Hillier, A. (Completed Fall 1993) Contextual influences on aphasia: A review of the literature, implications for diagnosis and therapy, and development of therapeutic tasks. Director

Kriel, V. (Completed Fall 1993) Neuropsychiatric deficits after right hemisphere brain-damage. Director

Hocutt, L. (Completed Fall 1993) Narrative abilities in mild and moderately impaired closed head injured adults. Director

Wilson, C. (Completed Spring 1993) Development of a functional communication screening protocol for use with brain-damaged adults: Review of the literature and rationale. Director

Lynch, C. (Completed Spring 1993) the speech and language effects of Sotos Syndrome. Committee Member

Smith, K. (Completed Spring 1993) Language representation in deafness and aphasia. Committee Member

Anderson-Cooper, M. (Completed Spring 1993) Evaluation and treatment of dysphagia associated with neuromuscular disorders. Committee Member

Gardner, A. (Completed Spring 1993) Categorization skills of young normal adults for goal-derived action categories. Director

Kenan, K. (Completed Summer 1992) Early versus delayed surgical management of the cleft palate. Committee Member

Parshall, R. (Completed Summer 1992) Development of a screening tool for identification of learning disabilities in young college aged adults. Director

Frazier, M. (Completed Summer 1992) Landau-Kleffner Syndrome: Review of the literature and case study. Director

White, L. (Completed Spring 1992) Expression of discourse in aphasia: Review of the literature and implications for diagnosis and treatment. Director

Lassiter, L. (Completed Spring 1992) Naming in aphasia: Review of the literature and implications for treatment. Director

Raynor, A. (Completed Summer 1991) Script knowledge throughout aging. Director

Corey, S. (Completed Summer 1991) Pragmatic/prosocial deficits observed after right hemisphere brain-damage: Development of a pragmatic protocol. Director

Jernigan, D. (Completed Spring 1991) Attention deficit disorder in language-impaired school-aged children. Committee Member

Sowerby, C. (Completed Spring 1991) A comparison of errors observed in apraxia of speech and phonemic paraphasia. Director

Thomson, B. (Completed Spring 1990) Gestural abilities in aphasia: A review with implications for treatment. Director

Poole, A. (Completed Spring 1990) The relationship between neuropsychological behaviors and neurophysiological sequelae in closed head injury. Director

Tart, D. (Completed Spring 1990) A comparison of the discontinuities in acquired neurogenic and traditional developmental stuttering (Co-directed with R. Shine)

X. Papers Presented to Professional Societies.

A. Invited Presentations

Hough, M.S. (2018). Category organization in young bilingual adults. Presentation at the Barbara Gordon Memorial Lecture and Linguistics Festival, Miami, FIU, March.

Hough, M.S. (2017). Assessment and treatment needs of an individual with TBI: A speech-language pathologist perspective. First Brain Injury Conference: Promoting Recovery Across the Continuum of Care, Miami, Florida, March.

Hough, M.S. (2015). Therapeutic perspectives in Speech-Language Pathology: Treatment in Right and Left Hemisphere Stroke. Second Annual Stroke Symposium, Miami, Florida, May.

Hough, M.S. (2013) Communication and linguistic profiles after stroke: Changing Perspectives. Presentation at the Barbara Gordon Memorial Lecture and Linguistics Festival, Miami, FIU, February.

Hough, M.S. (2012). Communication Profiles Associated with Stroke. Presentation at the 18th Annual Brain Injury Symposium, October, Miami

Hough, M.S. (2008). Single subject research design: Evidence-based practice and treatment efficacy. Seminar presented at the annual International Association of Oral Myology convention, Philadelphia, October.

Hough, M.S. (2007). Issues in assessment and evaluation of speech and language disorders. Symposium presented at the University of Alaska, June, Anchorage.

Hough, M.S. (2007). Characteristics and treatment of communication skills in aphasia. Short Course presented at the first annual Jane H. LeBlanc Symposium in Communication Disorders, June, Jonesboro, Arkansas.

Hough, M.S. (2006). Characteristics and Treatment of Adults with Left Hemisphere Brain-Damage and Aphasia. Symposium presented at the annual AHEC Stroke Conference, Greenville, May

Hough, M.S. (2006) Word finding patterns on a naming task in older adults. Invited paper at the University of New Mexico, February.

Hough, M.S. (2004) Speech and Swallowing problems and their remediation in Parkinson's Disease. Presentation at the Second Conference on the Care and rehabilitation of Parkinson's Disease, Greenville, October.

Hough, M.S. (2003) Generative Naming in Adults with Parkinson's Disease. Presented to Eastern Carolina Parkinson's Support Group, Greenville, Fall.

Hough, M.S. (2002) Speech and Swallowing problems and their remediation in Parkinson's Disease. Presentation at the First annual Conference on the Care and rehabilitation of Parkinson's Disease, Greenville, October.

Hough, M.S. (2002) Swallowing Problems Associated with Parkinson's Disease. Presented to Eastern Carolina Parkinson's Support Group, Greenville, Spring.

Hough, M.S. (2001) Speech and Language Problems Associated with Parkinson's Disease. Presentation to Eastern Carolina Parkinson's Support Group, Greenville, Fall.

Strauss (Hough), M. (1999). Semantic abilities in brain-damaged adults: Theory and practice. Short Course presentation at the 29th annual Midsouth Conference on Communication Disorders, Memphis, March.

Hough, M.S. (1993) Semantic Organization and Retrieval Skills After Closed Head Injury. Miniseminar presented at the North Carolina Speech, Hearing, and Language Association Fall Conference, Durham.

Hough, M.S. (1992). Does inference failure represent the underlying deficit in right hemisphere communication disorders?: A look at the data. Presentation at Professional Seminar, University of Iowa, Speech Pathology & Audiology, Iowa City, Iowa.

Hough, M.S. (1990) Dyslexia in special populations: Acquired dyslexia in adults. Presentation at the Update on Learning Disabilities, AHEC, Greenville, September.

DeMarco, S. & Hough, M.S. (1990) Neurologic basis of learning disorders. Paper presented at the Update on Learning Disabilities, AHEC, Greenville, September.

Hough, M.S. (1990) Motor speech disorders in children. Workshop presented at the Spring meeting of SHARE, April, Greenville.

Hough, M.S. (1989) Communication disorders associated with phonation: Working with children and young adults. Workshop presented at SHARE, April, Greenville.

Hough, M.S. (1989) Language impairments in Alzheimer's disease. Presentation at Alzheimer's Support Group, April, Greenville.

Givens, G. & Hough, M.S. (1989) Assessing speech/language and hearing needs of elderly adults. Presentation at the Second Annual Spring Gerontology Conference, March, Greenville.

B. Refereed Presentations:

Yero, A. & Hough, M.S. (2017). The Effects of Cognitive Exercise on the Aging Brain. Paper presented at the annual American Speech-Language-Hearing Association convention, Los Angeles, November.

Hough, M.S. & Snow, M. (1989) Category structure for goal-derived and common categories in aging adults. Paper presented at American Speech-Language-Hearing Association Convention, November, St. Louis.

Hough, M.S. & Pierce, R.S. (1989) Exemplar verification for common and ad hoc categories in aphasia. Paper presented at the 19th Annual Clinical Aphasiology Conference, June, Lake Tahoe, Nevada.

Hough, M.S. (1989) Category structure in normal and brain-damaged populations. Miniseminar presented at the North Carolina Speech and Hearing Association Convention, March, Charlotte.

Hough, M.S. & Pierce, R.S. (1988). Category structure following CVA and CHI and in normals. Miniseminar presented at the Ohio Speech and Hearing Association Convention, April, Cleveland.

Hough, M.S. & Pierce, R.S. (1988). Contextual influences on category concept generation in aphasia. Paper presented at the Clinical Aphasiology Conference, June, Harwichport, Mass.

Hough, M.S. & Wilcox, M.J. (1988). The effects of theme presentation on the comprehension and interpretation of narrative discourse in adults with brain-damage. Paper presented at the Clinical Aphasiology Conference, June, Harwichport, Mass.

Klich, R.J., Rudman, P., & Hough, M.S. (1988) Vowel duration and coarticulation in apraxia of speech. Paper presented at the American Speech-Language-Hearing Association Convention, November, Boston, Mass.

Hough, M.S. & Pierce, R.S. (1988) Word fluency revisited: Common and functional category structure in aphasic adults. Paper presented at the American Speech-Language-Hearing Association Convention, November, Boston, Mass.

Pierce, R.S. & Hough, M.S. (1987) The effects of predictive versus nonpredictive context in aphasia. Presented at the Ohio Speech and Hearing Association Convention, March, Columbus, Ohio.

Hough, M.S. & Klich, R.J. (1987) Effects of word length on lip EMG activity in apraxia of speech. Presented at the Clinical Aphasiology Conference, 1987, Lake of the Ozarks, Mo.

Hough, M.S. & Klich, R.J. (1987) Word length effects on EMG/vowel duration relationships in apraxic speakers. Presented at the American Speech-Language-Hearing Association Convention, November, New Orleans, LA.

Hough, M.S. & Wilcox, M.J. (1987) Theme reorganization and discourse comprehension in adults with brain damage. Presented at the American Speech-Language-Hearing Association Convention, November, New Orleans, La.

Hough, M.S. & Pierce, R.S. (1986) Effects of pragmatically predictive context on syntactic comprehension in aphasia. Presented at the American Speech-Language-Hearing Association Convention, November, Detroit, Michigan.

Hough, M.S. & Klich, R.J. (1986) EMG activity during vowel production in apraxia of speech. Presented at the American Speech-Language-Hearing Association Convention, November, Detroit, Michigan.

XII. Service

A. Professional – State, National, International

National Board Member, Council on Academic Accreditation in Audiology and Speech Language Pathology; American Speech-Language-Hearing-Association, 2015-2018

Steering Committee, Clinical Aphasiology Conference, 2013-present

Conference Chairperson, Clinical Aphasiology Conference, St. Simon's Island, GA., 2014

Program Committee, Language Disorders in Adults, American Speech-Language-Hearing Association, 2014 Convention, Orlando

Chair Site Visitor- SLP: Council on Academic Accreditation in Audiology and Speech Language Pathology; American Speech-Language-Hearing-Association, 2011-2015

Program Chairperson, Clinical Aphasiology Conference, Tucson, 2013

National Aphasia Association – FIU Institutional Representative, 2012- present

Site Visitor- Academic SLP: Council on Academic Accreditation in Audiology and Speech Language Pathology; American Speech-Language-Hearing-Association, 2008-2011

Editorial Board: Journal of Medical Speech-Language Pathology 2006 - Present

Reviewer:

: Aphasiology	1990-present
: Journal of Speech Language and Hearing Research	1995-present
: Neuropsychologia	1990-present
: American Journal of Speech-Language Pathology	1995-present
: Brain Injury	2005-present
: Journal of Communication Disorders	2008-present
= Augmentative and Alternative Communication	2016-present

North Carolina State Coordinator and Liaison, National Aphasia Association, 1991-2011

Program Committee, Clinical Aphasiology Conference, 1995, 1996, 2009, 2011.

Program Committee, Language Disorders in Adults, American Speech-Language-Hearing Association, 2010 Convention, 2014 Convention.

Program Committee, Motor Speech Disorders, American Speech-Language-Hearing Association, 2000 Convention, 2008 Convention.

Program Volunteer, North Carolina Speech-Language-Hearing Association, 1992, 1996, 1998, 2001, 2003

Local Arrangements Chairperson, Clinical Aphasiology Conference, 1997-1998

Program Committee, Neurogenic Communication Disorders/Language Disorders III, American Speech-Language-Hearing Association 1993 Convention, 1994 Convention

Publications Chairperson, Academy of Neurogenic Communication Disorders & Sciences, 1988-1991

Student Editor, HEARSAY – Journal of the Ohio Speech and Hearing Association, 1986-1988

Program Committee, Ohio Speech-Hearing Association Convention, 1985, 1987

B. University

Florida International University:

Chairs Advisory Council: Steering Committee, 2017-present

ACCESS Leadership Group, 1/2012- present

MDCPS/FIU Clinical Internships Workgroup, 1/2012-present

Chairs Advisory Council, Member, 1/2012-present

IREAL Strategic Planning Group

East Carolina University:

College of Allied Health Sciences (CAHS) Representative, Graduate School Administrative Board (GSAB), 2007-Present

Graduate Enrollment Task Force, Graduate School Administrative Board Representative, Fall 2009

University Reassigned Time/Sabbatical Committee, Fall 2009-Fall 2010

Gerontology Advisory Committee, Spring 2009-present

Chair and CAHS Representative, Special Grievance Committee, Graduate School, Spring 2008

CAHS Alternate Representative, Graduate School Administrative Board, 2003-2007

Committee Member, Graduate Assembly, 2004- present

Committee Member, Student Scholarship and Financial Aid Committee, 2005-2008

Committee Member, Graduate Assembly, Ad Hoc Doctoral Committee, 2003-2004

Committee Member, Reconsideration Committee, 2000-2003

Committee Member, Faculty Benefits Committee, 2000-2003

Committee Member, Status on Women Committee, 1999-2002

Committee Member, Undergraduate Curriculum Committee, 2000-2002

Committee Member, Center on Aging, Gerontology Committee, Fall 1988-present

Kent State University:

Representative, School of Speech-Language Pathology and Audiology, Graduate Student Council, 1986-1988

C. School/College

Nicole Wertheim College of Nursing and Health Sciences – Florida International University

Palliative Care Committee- January 2012-2015
Health Sciences Committee- January 2012-present
Faculty Facilitator, Third, Fourth, Fifth, Sixth Annual Inter-professional Workshop – FIU
Directors, Chairs, Deans Committee
Council of Chairs
Ignite Committee
Search Committee: OT Chair, OT Faculty member, 2016-2017, 2017-2018

College/School of Allied Health Sciences – East Carolina University

Committee Member, Diversity Committee, 2006-2010
Committee Member, Task Force on Interdisciplinary Ph.D. Program, 2003-2006
Committee Member, Search Committee for Dean of SAHS, 2002-2003
Chairperson, Elections Committee, 2004-2006
Committee Member, Elections Committee, 2003-2004
Chairperson, Student-Faculty Committee, 2002-2003
Committee Member, Student-Faculty Committee, 2000-2002
Committee Member, Personnel Action Committee, 1994-1995
Committee Member, Search Committee for Biostatistics Candidate, 1993-1994
Committee Member, Faculty Council, 1992-1994
Committee Member, Research Committee, 1991-1993
Committee Member, Admissions Committee, 1989-1991

D. Department

Communication Sciences and Disorders- January 2012- present—Florida International University

Chairperson, CSD Admissions Committee

Speech, Language, and Auditory Pathology 1988-1994; Communication Sciences and Disorders 1994- 2011- East Carolina University

Chairperson, Doctoral Studies Committee. 2003-2011
Chairperson, SLP Graduate Curriculum Committee, Spring 2009-2011
Committee Member, Search Committee, Clinic Supervisor, Fall 2009
Chairperson, Graduate Studies Committee, 2003-2011
Chairperson, Graduate Admissions Committee, 2003-2011
Chairperson, Search Committee, Motor Speech Disorders Position, 2006-2008
Committee Member, Search Committee, Articulation/Phonology Position, 2004-2006
Committee Member, Search Committee, Swallowing Position, 2002-2004
Chairperson, Personnel Action Committee, 1999- 2004; member, 2004-2011
Chairperson, Tenure and Promotion Committee, 1999-2004; member, 2004-2011
Chairperson, Search Committee for Language-Literacy Position, 1998-1999
Chairperson, Search Committee for Child Language Development/Disorders Position, 1999-2000
Committee Member, Graduate Admissions Committee, 1989-2003
Committee Member, Search Committee for CSDI Chairperson, 1992-1994

Chairperson, Search Committee for Speech Scientist Position, 1994
Committee Member, Doctoral Planning Committee, 1992-1996
Committee Member, Doctoral Studies Committee, 1998-2003
Committee Member, Masters/Graduate Studies Committee, 1994-2003
Committee Member, Clinical Operations Committee, 1994-1996, 1998-2006
Chairperson, Long Range Planning Committee, 1990-1991
Chairperson, Research Policy Committee, 1991-1992

XIII Formal Continuing Education:

Attendance at the annual Florida Speech-Language-Hearing Association convention, Orlando, May 2014, 2017

Yearly attendance at the annual American Speech-Language-Hearing Association convention 1974-present.

Yearly attendance at the annual Clinical Aphasiology Conference 1987-present.

Attendance at annual Council on Academic Programs in Communication Sciences & Disorders meeting, 2004, 2005, 2007, 2008, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018

Yearly attendance at the annual North Carolina Speech-Language-Hearing Association convention 1989-2011.

Yearly attendance at annual East Carolina University Speech and Hearing Symposium 1988-2010.

Attendance at ANCDs annual Conference, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014

Attendance at the annual North Carolina Conference on Aging, Greenville, NC, October 2008.

Attendance at the 2nd Clinical Augmentative and Alternative Conference, Charlottesville, September, 2008

Attendance at the International Aphasia Rehabilitation Congress, Ljubjana, Slovenia, July 2008; Montreal, Canada, June 2010; The Hague, Netherlands, June 2014

Attendance at bi-annual British Aphasiology Society Conference, Edinburgh, 2007

Attendance at International Speech Motor Control Conference, Nijmegen, 2006; Groningen, 2011

Attendance at the annual International Association of Phoniatrics and Logopedics Conference, Montreal, 2001.

Attendance at the bi-annual Motor Speech Disorders/Speech Motor Control Conference 1994, 1996, 1998.

Attendance at the annual TENNET (Theoretical and Experimental Neuropsychology) Conference 1992-1994.

Attendance at the Fourth Annual ASHA Research Conference: Research Frontiers in Brain Imaging, New Orleans, 1994

Attendance at the annual International Neuropsychology Society Conference, 1994, Cincinnati.

Attendance at Education in Geriatrics for Faculty in Speech-Language Pathology & Audiology conference, 1993, New York, NY.

Attendance at North Carolina Speech-Hearing-Language Association Fall Conference, 1993, Durham, NC.

Attendance at NIH Conference on Aging: Quality of Life, 1992, Washington, DC.

Attendance at Neuropsychological Assessment and Language Treatment workshop, 1989, Chapel Hill, NC.

Attendance at on the Relationship Between Language and Reading workshop, 1988, Chapel Hill, NC.

Attendance at workshops at Florida International University:

IT Security Awareness and Privacy, 2012

Manager Approver Meeting, 2012

Chairs Workshop, Howie in the Hills, 2012

Attendance at various workshops at East Carolina University:

Instructional Technology Tools for Teaching, the Internet and Webpages workshop, 1997, 1998, 2001, 2004, 2008, 2009.

Peer Classroom Observation workshop, 1998.

ECU Technology Workshop, 1997.

ECU STATLAB workshop, 1994.

Grant Writing workshops, 1991, 1997, 2001, 2003, 2006

XIV. Certificates and Memberships

Certificate of Clinical Competence in Speech Pathology, awarded by the American Speech-Language-Hearing Association, 1978-present

State of Florida License –Speech-Language Pathology

State of North Carolina License - Speech-Language Pathology 1988-2012

Member, Florida Speech-Language-Hearing Association 2012-present

Member, American Speech-Language-Hearing Association 1978-present

Member, North Carolina Speech-Language-Hearing Association 1989-2011

Member, National Aphasia Association 1990-present; Institutional Membership – Florida International University 2012- present

Member, National Stroke Association 2000-present

Member, Sigma Xi 1991-present, FIU Chapter 2012 – present

XV. Honors and Awards

ASHA Fellow, American Speech-Language-Hearing Association, 2012

Florida International University:

Dissertation Director Status, 2013-present

Graduate Faculty Status, 2012-present

Top Scholar, 2012-2013

East Carolina University:

2010: Faculty Recognition Award for Research, Division of Health Sciences

2009: Scholar-Teacher of the Year Award, College of Allied Health Sciences

2009: Faculty Recognition Award for Research, Division of Health Sciences

2008: Faculty Recognition Award for Research, Division of Health Sciences

2007: Faculty Recognition Award for Research, Division of Health Sciences

2006 Dean's Award, School of Allied Health Sciences, Outstanding Research

2006: Faculty Recognition Award for Research, Division of Health Sciences

2000 Dean's Award, School of Allied Health Sciences, Outstanding Research

1996 School of Allied Health Sciences, Award for Teaching Excellence

1996 National Student Speech-Language-Hearing Association, East Carolina University Chapter, Honors and Recognition Contributions to Graduate Education

1992 School of Allied Health Sciences, Award for Teaching and Research Excellence

1992 National Student Speech-Language-Hearing Association, East Carolina University Chapter, Honors and Recognition Contributions to Graduate Education

1991 Inducted as a member of Sigma Xi, National Scientific Scholarly Organization

Kent State University:

1987-1988 University Fellowship

1986 Jeanne Goldberger Award for Academic Excellence

1986 Graduate Student Research Award

University of Florida:

1977-1978 Veterans Administration Traineeship, Gainesville VAMC

Other:

1970-1974 Rapid American Scholarship, Glen Alden Corporation, New York, New York

1970-1972 Regents Scholarship Award, New York State Higher Education Corporation, Albany, New York
