

Adults Aged 50+:

Give your opinion on a new
website to help older people
find research studies!

The purpose of this study is to specifically connect individuals over the age of 50 and/or family caregivers to research studies using the ALEX Portal.

Adults aged 50 and older are eligible to participate if:

- You are Black/African American, OR
- You are Latino/Hispanic, OR
- You live in a rural area

Participation will last for 20-25 minutes exploring the ALEX Portal. We will ask you to share feedback and take a short survey after using ALEX.

**You will be compensated with a \$25 e-gift card
for your time spent in this study.**

For more information, scan the QR code or contact a member of the study team at ETCH@mayo.edu.
