FLORIDA INTERNATIONAL UNIVERSITY

# Bachelor of Science in Nursing

Traditional Track

The Bachelor of Science in Nursing (BSN) program prepares diverse health care professionals as providers and leaders in the delivery of high quality, accessible, culturally competent care within a technological and global environment. The College promotes, expands and validates scientific knowledge and evidence-based practice through interdisciplinary research.

## Admissions Minimum Requirements

- Associate of Arts (AA) degree or completed a minimum of 54 semester hours; and completion of the FIU core curriculum (UCC).
- Transfer students must successfully meet all FIU Undergraduate Admissions requirements.
- Minimum cumulative GPA of 3.25 from all previous college coursework, including dual enrollment.
- Successful completion of the ATI TEAS exam with a minimum overall score of 70% and a minimum 62% in the science portion. To register, please visit: [testing.fiu.edu](http://testing.fiu.edu).
- Completion of ALL nursing prerequisite courses by no later than two semesters prior the the corresponding application cycle. Applicants may ONLY have up to two prerequisites in progress at the time application is submitted.
- Science courses must have been taken within the last ten years. One science prerequisite failure (C- or below) is allowed but it must have been successfully repeated for a passing grade. A second science failure will lead to disqualification. All science courses must be completed by the time the application is submitted.
