

PUBLIC NOTICE: Opportunity for Third-Party Comments

Florida International University – Nicole Wertheim College of Nursing and Health Sciences is preparing to host a re-accreditation site visit from the Commission on Collegiate Nursing Education (CCNE) for the Doctor of Nursing Practice program. The visit is scheduled for September 19-21, 2018.

CCNE is an autonomous accrediting agency recognized by the U.S. Secretary of Education as a national accreditation agency, contributing to the improvement of the public's health. CCNE ensures the quality and integrity of baccalaureate, graduate, and residency programs in nursing. CCNE serves the public interest by assessing and identifying programs that engage in effective educational practices. As a voluntary, self-regulatory process, CCNE accreditation supports and encourages continuing self-assessment by nursing programs and supports continuing growth and improvement of collegiate professional education and nurse residency programs.

As part of this process, written and signed third-party comments are sought from constituents (students, alumni, faculty, and community stakeholders) and will be accepted by CCNE until 21 days before the scheduled on-site evaluation; a deadline of August 29, 2018. All third-party comments submitted to CCNE must be signed and written in English, and consistent with CCNE's policy on Conduct of Business in English. Any and all comments submitted to CCNE in a language other than English will not be processed. CCNE shares third-party comments with members of the evaluation team, but at no time during the review process are processed comments shared with the program.

If you would like to submit a third-party comment, please direct comments to:
